PROFESSIONAL DIPLOMA IN DIGITAL MARKETING

The Online Digital Marketing Certification Course covers various topics such as digital marketing strategy, search engine optimization, social media marketing, content marketing, mobile marketing, email marketing, and analytics. The course is delivered through video lessons, case studies, and projects.

Most organisations are 'going digital', but nearly 50% lack a defined strategy.

This Professional Programme is Right for you

Businesses are feeling the pressure to elevate marketing efforts and cut through the noise.

This programme is designed for:

- Experienced traditional marketers who come from corporate communications or non-digital backgrounds and seek to round out their marketing mindset by learning the latest digital methods and gaining a big-picture perspective. Titles may include CMO, marketing director, marketing manager, brand manager, account manager, communications manager and product manager.
- Non-marketing leaders who seek a holistic view of the latest marketing trends and strategies for building customer loyalty as a pathway to growth. Titles may include CEO, COO, managing director, founder, president and general manager.
- Early-career marketers who are digital natives and may have experience with some components of the marketing mix but seek to build broader capabilities for their career growth. Titles may include marketing coordinator, marketing specialist, marketing analyst and PPC/SEO/content specialist.
- Professionals from a non-marketing field making a horizontal move into marketing, such as product development, human resources, operations, finance and customer service.

LEARNING OUTCOMES

Digital technologies are transforming the potential and practice of marketing—as companies have become more agile, data-driven, and ROI-focused.

You will emerge with the advanced skills to generate more value for customers and more business growth by developing an integrated marketing strategy that blends proven marketing paradigms with the latest innovations.

This program prepares you to build and execute an integrated marketing strategy that aligns your business with consumer needs and differentiates it from the competition. Whatever your industry, you will emerge with the frameworks, concepts and tools to drive profitable growth through a more forward-thinking approach to marketing strategy development and implementation.

This Professional Diploma Certification is approved & awarded by European International University-Paris, which adds to the value as a Digital Marketing expert or a Freelance Marketer.
